

如何找到我 102 學期以前的舊課程

- 一、進入 Moodle 後，在”網路伺服器/以下為舊課程(Old Courses are as follows)”下，點選「9901~10202 課程」。

The screenshot shows the Moodle navigation menu. At the top, there are several menu items: 校園資源, 資網服務, 課程資源, 成長學習, 使用說明, and 正體中文 (zh_tw). Below these, there is a section titled 網路伺服器, which is highlighted with a red box. Under this section, there is a list of links for various departments and services, including Kinmen Location, International College, School of Health Technology, School of Social Sciences, School of Tourism, School of Information Technology, School Of Communication, School of Education and Applied Languages, School Of Law, School Of Design, School Of Management, MCU Moodle other, Moodle Demo, Question Bank, and Self Learning. Below this list, there is a section titled 以下為舊課程(Old courses are as follows), which is also highlighted with a red box. Under this section, there are two links: 9901~10202課程(9901~10202 courses) and 9602~9802課程(9602~9802 courses). The first link is highlighted with a red box. At the bottom of the menu, there is a section titled 系統管理, which includes a link for 個人資料設定.

- 二、進入後你會看到 9902~10202 網路伺服器的主機頁面，接著選擇您的學院，如果您有在別的學院上課，你要選擇該系的學院。例如：我是”企管系學生”，我有修習”資傳系”的課程，而我現在想看我當初在資傳系上課的內容，則點選”資訊學院”。
